A screenshot of a web application's login page. The page has a yellow background. At the top left is a logo with the word 'lino' on a notepad. To its right is the word 'Login'. Below this are two input fields: 'Username' and 'Password'. To the right of the password field is a link that says 'Forget password?»'. Below these fields is a section for 'Login with OpenID' with a red 'Y' icon and a lock icon. There is a checkbox labeled 'Stay signed in'. A blue 'Login' button is centered below the checkbox. At the bottom, there's a 'Login with' section with icons for Twitter, Facebook, and Google. At the very bottom, there are links for 'Home' and 'Sign up'. The page is displayed in a browser window with a dark blue background. In the bottom right corner of the browser window, there's text that says 'Windows'u Etkinleştir'.

- When you choose my canvas from your profile, you can make special settings for your wall. Who can see, who can write?

The screenshot shows a settings page for a canvas. At the top, there are several colored squares (orange, blue, green, brown, grey, light green) and a gear icon. Below these, the settings are organized into sections:

- Access to Canvas (Publicity)**
 - ☐ For my own private use
No one may see the canvas but you
 - ☐ Show stickies to everyone
Other people may not post stickies
 - ☒ Everyone may post stickies
Show stickies to everyone, and let everyone post stickies
- Details**
 - ☒ Notify me when someone posted a sticky
 - ☒ Show this canvas on the dock
 - ☒ Create a sticky via Email
35970804.6450@e.linoit.
 - ☒ Allow others to copy stickies on this canvas
 - ☒ List on Public Canvases
 - ☒ Allow guests to post stickies
 - ☒ RSS is always generated for all public canvases

At the bottom, there is a button and a button.

Handwritten annotations in blue text with red arrows indicate:

- kim yazar ekler degistirir** (who writes changes posts) with a red arrow pointing from the 'Everyone may post stickies' option to the 'Save' button.
- kaydet** (save) with a red arrow pointing from the 'Save' button to the 'Delete this canvas' button.
